Clerk advised council of the response from ESBC.

There was a lengthy discussion about the issues which all local residents are facing due to the major growth of the parish.

Res 83/22 Resolved: that a variation would be made to the resolution 72/22. The parish council will submit an objection to the proposal. They would like highways to enforce completion of the highway conditions which were in the original planning application P/2018/00939, section 106 signed 13th September 2019.

Res 84/22 Resolved: that the parish council writes to the planning enforcement officer requesting that the highways planning condition approved in 2019 is enforced.
